July 30, 2020

Dear Members,

Many of you have either seen news on television, the newspaper and on the internet about the company's reduction in work force. Although the AFA leadership was notified the information would be sent out, we now have more specific information. As we have messaged, this is a difficult time for all our members. We appreciate your kindness to others as we know our airline must make reductions in hopes of weathering this awful time around the world and here at home.

WARN Notification

Due to the unpredictability of our business and reduced demand for air travel, the AFA leadership has now received the official WARN notification from the company. This is a federal and state law called the Worker Adjustment Retraining Notification Acts ("WARN Acts"). The WARN notice is required by law to be sent 60 days prior to a possible mass furlough. The notice will be sent electronically to your Hawaiian and personal email addresses. Receiving a WARN Notice does not necessarily mean you will be furloughed. The company stated that this list is over-inclusive and will be reduced by voluntary furloughs and the early-out option.

It is important to know that California has different parameters and the company was required to notify each LAX-based Flight Attendant. Whereas in Hawaii, the company was only required to notify the AFA Leadership. The LAX-based Flight Attendants received their electronic notifications yesterday. This difference was alarming and confusing for many of you. Although not required, the company intends on sending notifications to include HNL-based Flight Attendants on this list sometime today. Attached please find the list of the 730 Flight Attendants who are factored into the notification.

Early Out

The AFA is still in discussions with the company on an Early Out program. We are scheduled to meet with the company Friday, July 31 at 11:30 am/HST (2:30 pm/PST). Once we come to an agreement, the Early Out will be presented to the Flight Attendant group. We do not have any date or timeline for this publication. Once again, the Early Out option, along with other contractual voluntary options outlined in Section 16.L., will offset the total number of Flight Attendants affected by an involuntary furlough.

Going forward we will be publishing information as needed in addition to our weekly Thursday communication and Friday zoom briefing. We are working on a guide called “Understanding Section 16: Reduction in Force” and will distribute that soon.

Build Your Resiliency - EAP Support Calls

With all that has been going on in life and in our career, things can get very stressful. Our EAP Team has made available to our Flight Attendants an outside mental health professional. There are 3 more phone sessions available for Flight Attendants to call in. Group sessions last for (1) hour. We encourage you to call and listen in. You can call in on one or all of the remainder sessions.

Build Your Resiliency
July 31 ~ August 3 ~ August 7
9am (HST)/ 12pm (PST)
(855)544-2320

Payroll Support Program

Now more than ever, AFA International is fighting hard for aviation jobs on Capitol Hill. We have been asking Congress to extend the Payroll Support Program which would keep aviation workers employed and avoid furloughs till March 2021. It appears that Hawaii Congress is on board and that, in a huge part, is due to all of your participation in calling Hawaii Congress. We cannot give up though!!! If you have family and friends in other states, have them call their local congress and get them on board as well! If you want to get more involved, please reach out to Rick Schwabauer - Government Affairs MEC Chair at (760)835-7750

Send this info to your mainland family and friends:
(888)848-4824
"My name is ____ and as a constituent I am asking the Senator to include a Clean Extension of the CARES Act Payroll Support Program in the stimulus package preventing massive job and healthcare losses in October."

MEC Zoom Briefing

Please join us tomorrow (7/31) at 12PM (HST)/3PM (PST) for our (1) hour MEC Zoom Briefing. Please email in advance Andrew.Ferreira@HawaiianMEC.org your questions to be answered on the call.
MEC Zoom Briefing (Meeting ID: 837 8999 4110 Passcode: 124207)
