April 27, 2020

Dear Fellow Flight Attendants:

The following are items and resources for our group. Please continue to reach out to us with your questions and concerns. Our AFA leadership makes every attempt to answer your questions with expediency.

COMPANY – WIDE FOOD DRIVE: Malama Ohana

Starting today, the company’s Team Kōkua will organize an employee food drive. Hawaiian Airlines families can donate food and/or gift cards to help a colleague in need. Donations will be accepted at select locations throughout the company Monday through Friday between 10 am and 2 pm.

Food distribution will begin next week at Corporate Headquarters and at designated locations at our Neighbor Island and North America sites. More information will be provided on HApeople.com. Look for the “Hawaiian Airlines Food Drive” button on the homepage. Pickups will start on May 4 but the locations and times have yet to be determined. Flight Attendants will need to show their Hawaiian Crew ID to pick up food. Please check the website for additional information!

ESSENTIAL WORKER DAY

Today we celebrate you! It is a day to lift up the work of essential workers, including Flight Attendants, to recognize our work and also encourage action to support us on the frontlines: proper PPE, testing and proper notification, hazard pay, minimum pay, jobs, sick leave, etc.

AFA-CWA Flight Attendants are Essential Workers!

Thank you for helping to lift up this message. You can share your story and pictures by emailing crewlife@afacwa.org

HALFLICA.NET, MAY 2020

We have hundreds of Reserves resulting from the drastic cut to our flying schedule. For those Reserves who are unfamiliar with Flica and how to make requests, please know that our Flica Ace Greg Wickstrom has added new information to the website. If you have further questions, you can also use the link to send in your inquiries. A special thank you to all Flight Attendants who have been a tremendous resource to others with the increase in our Reserve numbers! Halflica.net

HAWAII MANDATORY QUARANTINE – extended

Please know the State of Hawai`i extended the mandatory quarantine through May 31, 2020. Since various cities and states have affected their own Stay at Home advisories, the company has continued to monitor the daily reports of new COVID-19 cases while watching passenger ticket buying trends. If you have scheduled flights on your line in May, it is important that you monitor your CrewTrac the day prior to your scheduled flight after the Daily Flight Schedule (DFS) is printed. This way, you will know if your bid trip is cancelled or will continue to operate.

These past weeks are now going on to months for us. As we look ahead, please continue to take care of yourselves and one another!

In Unity, Sharon, Scott, Joni, Jaci-Ann, Josh and the Entire AFA Leadership
